

**Dear Church Family,**

Talk with God @ Home is a focus on the significant and powerful topic of prayer. Together we will explore some insightful dynamics about prayer and be challenged to grow in the area of intentional connection with Christ and our family. As we embark on this journey, we hope you will deeply engage because we feel this is a vital area to spiritual growth.

We have created this kit to equip you and your family to become more intentional about family prayer. This is our gift to you with the hope that the information and activities will foster great conversations and experiences with your kids, teens and your spouse.

Our prayers are with you and your family as you journey with us and become more intentional in the discipline of prayer individually and as a family.
